CERTIFIED RETURN RECEIPT #P 079 749 443

Permit: ACT/015/032
Mine Name: Crandall Canyon

March 17, 1995

Mr. James W. Carter, Director
Division of Oil, Gas and Mining
3 Triad Center, Suite 350
355 West North Temple
Salt Lake City, Utah 84180-1203

Dear Mr. Carter:

Federal Ten-Day Notice 95-020-190-01 is being issued for a violation that likely existed at the time of the last State complete inspection (LSCI). Specific details are as follows:

Date of Federal Inspection: 3/8/95; Date of LSCI: 1/13/95

The determination that the State did not cite the violation is based on one or more of the following reasons:

- ☐ The condition was identified in a State inspection report but no State enforcement action was taken.
- ☐ Design criteria or required certification has not been met for a structure in existence as of the last State complete inspection (sediment pond, excess spoil fill, etc.)
- ☐ Necessary controls that were required at the time of the last State complete inspection have not been established (diversion ditches, sediment ponds, top soil protection, signs and markers, etc.)
- ☐ Site conditions indicate that the violation(s) noted had been in existence at the time of, or prior to, the last State complete inspection.
- ☒ Other: Designs approved in the permit allow for a structure that will not meet effluent limitation per discharge of waters from an area disturbed to facilitate mining.

Indicate below the Division's reason(s) for not citing the alleged violation(s):

- ☐ Not a violation
- ☐ Precluded by State policy
- ☐ Not included under State program
- ☐ Warning given in Lieu of a Citation
- ☐ Violation not recognized (missed)
- ☐ Practice allowed under approved permit
- ☐ Too minor to cite
- ☐ Working with operator to correct
- ☐ Other: _____

TEN-DAY NOTICE

Originating Office:

Office of Surface Mining

505 Marquette Suite 1200

Albuquerque NM 87109

Telephone Number: 505 966 1486

Number: X-95-020-190-01 TV 1

Ten-Day Notice to the State of

Utah

You are notified that, as a result of Federal Inspection (RSI) (e.g. a federal inspection, citizen information, etc.) the Secretary has reason to believe that the person described below is in violation of the Act or a permit condition required by the Act. If the State Regulatory Authority fails within ten days after receipt of this notice to take appropriate action to cause the violation(s) described herein to be corrected, or to show cause for such failure and transmit notice of your action to the Secretary through the originating office designated above, then a Federal inspection of the surface coal mining operation at which the alleged violation(s) is occurring will be conducted and appropriate enforcement action as required by Section 521(a)(1) of the Act will be taken.

Permittee: Genwal Coal Company
(Or Operator if No Permit)
